

# NATIONAL TREE DAY

## Fingal Head tree planting day

By Jo Kennett

FINGAL HEAD Coastcare had a great turnout for National Tree Day on Sunday, July 31.

New president Richard Roberts said 60 people helped plant 333 trees in two hours.

"We dug all the holes before and at least half of the people there were young," he said.

"The scouts from Murwillumbah came, they sent a troop.

"We were planting on the foreshore east of Lake Wommin to the south of

the headland.

"It was a really good day and really educational for the kids. We worked pretty hard."

Sarah Whitrod took children Isaac, Hunter and Luella along and said it was a wonderful event.

"We were so happy to be a part of it," she told the organisers.

"Thank you so much for all the incredible work you do to make these events happen.

"Looking forward to confirming a date for the jubilee planting and reaching the 1000 trees planted goal."
