

National Tree Day 2025 – Community Planting Event

****Hosted by Fingal Head Coastcare****

Sunday 27th July 2025 between 9.30 am & 10.30am

Join us for a wonderful morning dedicated to restoring our precious coastal vegetation!

When: National Tree Day Sunday 27th July 9.30 am

Location: Coastal woodland south of Fingal Head, adjacent to Dreamtime Beach (see map)

What:

- Help plant 600 trees and shrubs in degraded coastal woodland.
- Continue the bush regeneration efforts that have been ongoing for 39 years.
- Create habitats for native plants and animals.

What to Bring:

- Your own gloves and water
- Wear a hat, covered shoes, long-sleeved shirt and long pants

Provided by Us:

- Plants, water, tools, etc.
- Refreshments at the end of the planting session

How to Register:

Visit the Planet Ark website at [<https://nationaltreeday.org.au>] (<https://nationaltreeday.org.au>) and look under “Get Involved: Join a Planting.” Please register on this site to participate.

Come and be apart of this impactful community event!

This project has been made possible due to generous funding from Bupa Healthcare and Landcare Australia. It's exciting to be part of the planting of over 75,000 trees and plants under the Bupa/Landcare Program and 1 million trees under National Tree Day Program across Australia, linking environmental health with community wellbeing.
